

AMERICAN CLASSIC CARPET CARE

(800) 879-3069

CERTIFIED DISINFECTION WITH ISOKLEAN

IsoKlean is a one-step system using an EPA registered hospital grade disinfectant. We use a broad spectrum bactericide, fungicide, and virucide.

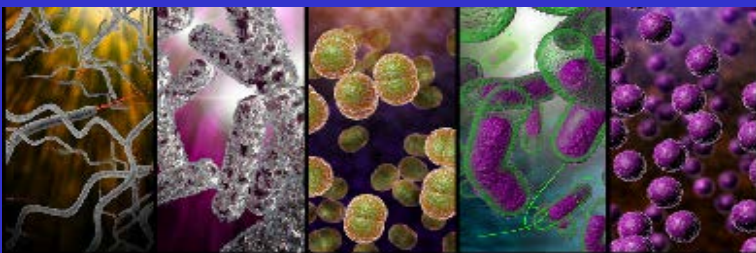

Is your dining room ready to re-open?
Be sure your employees and patrons are safe.

INSTANT EFFECTIVENESS

Our process eliminates all gram positive and gram negative bacteria, viruses, molds, and mildews. It is effective against the Human Corona Virus, Influenza, and more. Instant dry time provides minimal interruption to your business while ensuring maximum protection for your employees and patrons.

Clean what you can't see. The 360 degree treatment will cover flooring, booths, tables, hand rails, door handles, chairs, and wait stations.
